

At Grace Graphics Inc. our crews perform new sets and resets. This helps retailers with the influx of new products and to avoid out-of-stocks. GGI will manage the reset process; ensure timely execution of new item, A/O resets, and category resets, which in turn will help maximize profitability the reset.

- **Labeling and re-ordering**
- **Rack Install**
- **Bay Resets**
- **Moving Beams & Decking**
- **Install Bin/Beam Labels**
- **Maintain Plan-o-gram Integrity**
